A. C/AIB initiated steps to provide [] of the IG's Office (at one time [] was with the JOT Staff) with 25X1 material to support a report he plans to write on EOD training. Our role is to prepare a summary of the number of professionals who have entered on duty since the beginning of 1963 and the number who took the Introduction to Intelligence and Introduction to Communism courses. If possible, the report is to be done by each office within a Directorate. C/AIB is working with OP to obtain the basic information. [] set no date but we will provide 25X1 the information as soon as possible.

The report is an outgrowth of [] discussions on EOD training with AR/TR and C/AIB. Clerical training will be included in his report but he needs nothing on this in addition to the information he got from the discussion. 25X1

B. We provided the Director of Security with a copy of the address by our recent Director, John McCone, which he gave on 10 April 1964 to DDS supervisors at the first session of the Agency program on Reindoctrination on Supervisory Responsibilities. The request for the address came from the office of the TO/OS. Why the Director of Security wanted the speech was not made clear: only that the OS is about to undergo an IG inspection and the speech was part of the material being collected in preparation for the inspection.

C. A Special Bulletin on the 17 - 28 January Basic Country Survey of the USSR was sent to the printers on 9 December. (What appears to be an early date is linked to the consideration that PSD may require a longer time for printing.) This course is going to be held at Headquarters instead of at Glebe. SIC plans to give it on a 9:00 - 4:30 schedule to meet the request that participants be permitted to check in with their offices both at the beginning and end of the day.

D. The Industrial College of the Armed Forces has regularly sent R/TR 50 copies of its monthly lecture series. We have found that the 50 serve no purpose for we still have to publish an announcement tailored to procedures for Agency attendance. Courtesy of Vivian, her call to ICAF brought willing agreement by ICAF to reduce our monthly quota to 5 copies.
